

# The Carnet

## What is it?

The Carnet is a five night boarding pass. It costs £130 and includes tea, prep supervision, bed and Breakfast.

The Carnet is ideal if you would like your child to have a taste of boarding and can be especially useful for Friday night stopovers!

Carnet cards are available from Marketing.

Carnet boarding nights must be used in the term that they have been purchased; they cannot be carried forward to the next term. Carnet boarding nights cannot be used consecutively. Carnet cards **must** be paid for in advance.

Ad hoc boarding at all other times will be charged at the current rate of £40.75 per night.

For parents with three children in school the Carnet may be shared amongst siblings.
