## Performer

---

Our purpose-built theatre plays host to exceptional drama productions involving pupils of all ages.

Every year there are major school productions for which pupils of any age can volunteer, whether that be for the limelight or backstage glory. There are also productions for our Year 7 and 9 pupils, in which everyone takes part.

Our spacious dance studio offers a unique space for dancers of all styles and genres.

# Perfectly Balanced

We believe that pupils should have a busy, balanced life. New experiences and a wide variety of activities and opportunities enrich the lives of all in our community, as well as supporting the wellbeing of our pupils.

All pupils are encouraged to try as many new activities as they can, and are supported to enable them to do so. The rich, full life of a Wrekin pupil has an added benefit for our international pupils; we know moving to a new country can be difficult but many find the busy schedule helpful with any homesickness and a great way to make a variety of new friends.

# Learn With Us

There are many ways to study at Wrekin College, the Year Group [or grade] will be determined by a pupil's age and the type of course they wish to enrol in. As a general rule, a pupil will enter a year group at the following ages.

**Year 7: 11 years old**

**Year 8: 12 years old**

**Year 9: 13 years old**

**Year 10: 14 years old**

**Year 11: 15 years old**

**Year 12 [Sixth Form]: 16/17 years old**

# Years 7 to 9

Years 7 to 9 set the foundation for a pupil's future education.

There are no formal qualifications at the end of this stage of education, however pupils will sit assessments during the years to assess their understanding of the subject and help set future targets.

The curriculum is very broad and will include English, Mathematics, Biology, Chemistry, History, Geography, Information Technology, Sport and much more.

# GCSE

GCSE [General Certificate of Secondary Education] is a two-year course which begins in Year 10 and for which exams are taken at the end of Year 11.

Mathematics, English, and the Sciences are usually compulsory. For students whose first language is not English, English Literature may not be compulsory.

Aside from the compulsory subjects pupils have options for which subjects they wish to take.

# A level and BTEC

A levels and BTECs consist of a two-year course which follows GCSE.

The course begins in Year 12 and exams are usually taken at the end of Year 13.

A levels and BTECS are the qualifications used to apply for university.

A pupil will take three A level subjects. None are compulsory so a pupil should pick subjects which align with their future career aspirations or requirements of the university course they wish to take. BTECS are comparable to A levels and can be taken as a combination with, or an alternative to, A level.

# Pre-A level

Our Pre-A level course is for pupils who are not quite ready for A level study but would be too advanced, either in ability or age, for GCSE.

The course concentrates on which subjects a pupil can excel at in one year and provides extensive EAL (English as an Additional Language) support.

The year-long courses give pupils all the tools they need to help achieve their best possible A level results in the following years.

# Boarding, Not Boring

Wrekin retains the values of a traditional boarding school, and the boarding ethos permeates all that we do.

Boarding allows pupils to enjoy the independence and community spirit which comes from living with their peers.

It is great fun, and it also helps young people develop self-discipline, confidence, and an ability to get on with others.

Boarding offers stability and continuity throughout a pupil's time at school.

Wrekin is proud to be a part of the British Boarding Schools Network.

WREKIN

Most weekends include an activity or outing for boarding pupils.

This could be a visit to a major city such as London or Manchester; or activities such as go-karting, bowling, or ice skating.
